****Summer Camp 2024 Update****

- ****Please note that we offer a Piper Kids discount to ALL current, former and future Pied Piper Students. Registration Form Instructions

- **Make sure you fill out the correct Registration Form depending on the age of your child!! Each Child must have their own form filled out!**
- Page 1 must be filled out in its entirety including alternative emergency contacts in the event that we are unable to contact you directly.
- Read and initial the Summer Camp Agreement located at the bottom of page one to confirm agreement and understanding of all outlined policies.
- If your child receives related services (speech, OT, PT, SEIT) during the summer you must speak to either Kathy or Max to discuss protocols and procedures.
- On page two, first choose the section for the number of days per week you wish to enroll, then choose the appropriate column for the total number of weeks of enrollment to find the total cost. Please note we allow enrollment for any number of weeks #1-8(age dependent), not just the options listed. Ask Max about Pricing!
- Please indicate the specific weeks of enrollment by circling the dates located at the bottom of page two. Please note that in Week 1 there is no camp on Thursday, July 4th in observance of the Fourth of July. **Make up days for any day missed can be made up at any time within the 8 week summer program(availability dependent).**
- To complete enrollment you must hand in the attached registration form along with the \$50 insurance fee and your child's required medical forms (Immunization/Medical Records)
- Payment for the camp program must be made in full prior to the first day of camp(July 1st, 2024). If you are unable to pay in full prior to camp, please speak to Max so a payment plan can be in place before camp begins.

"You pick the days, times, weeks and make up any days you miss! We take care of the fun!"
