

Welcome to Pre-K!

We hope you are having a nice vacation. We are SO glad you will be joining us in our pre-K class.

We are going to have lots of fun, make new friends and learn lots of new things.

Please wear your name tag to the first day of school next month. We want to be sure and get your name right.

Show and Tell is everyday so don't forget your favorite toy or book. We can't wait for school to begin.

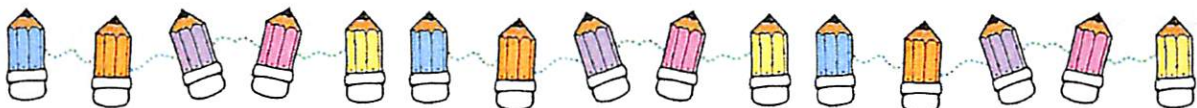

See you soon.
