She has been an important part of the Pied Piper School for 11 years. We will miss her energy, creativity and artistic talents. We wish her joy and happiness in her new chapter of life as Juliana's Gigi!!

ONCE AGAIN we have to say goodbye to many children who will be heading to Kindergarten in the fall, and their families. Attachments are easily made, but not so easily broken. We are so proud of our school and its reputation. We believe that our approach attracts families who appreciate the atmosphere we strive so hard to create. **THANK YOU** for this opportunity to share this year with you and your child. You will be greatly missed. Stop by and VISIT! You know where to find us!
